STACK'S BOWERS GALLERIES

Chris Napolitano President

A collector since childhood, Chris Napolitano joined Stack's Bowers Galleries in December 2010 following an extremely successful career as the founder, president and CEO of Summit Rare Coins, Inc. With more than two decades of industry experience, Chris has handled in excess of \$250 million in rare coins, including 80 of the coins featured in the popular numismatic reference book by Jeff Garrett, 100 Greatest U.S. Coins, along with many notable pedigrees. His numismatic knowledge is virtually unsurpassed, and he is happy to make himself available to consignors to discuss auction opportunities for their numismatic rarities and collections.

Q. David BowersChairman Emeritus

Perhaps the best-known and most noteworthy numismatist of the last 50 years, Q. David Bowers' work with rare coins is so voluminous and so extraordinary that he was named by *COINAge* magazine as one of the "Numismatists of the Century," among a multitude of awards and honors. During his illustrious career, he has catalogued and sold at public auction many of the finest and most valuable and important collections ever assembled. They include the Louis E. Eliasberg, Sr. Collection; the Harry W. Bass Jr. Collection; the Ambassador and Mrs. R. Henry Norweb Collection; the John Work Garrett Collection sold by order of The Johns Hopkins University; the Childs Collection; and myriad others.

Richard Ponterio Executive Vice President

Richard Ponterio began collecting coins as a young boy at the age of 10. His interests first peaked in numismatics while working for his uncle who owned a vending machine company. During the summer, Rick would accompany his uncle along his route, re-stocking the machines and collecting the coins which had been deposited. At the end of each day, the two of them would search through the coins for dates and varieties they needed for their collections. In 1972 he decided to make numismatics his full time profession. From 1974-1982 he helped co-found the firm Ponterio & Wyatt, conducting mail bid auctions, price lists, and attending major coin shows. In 1982 he formed the company Ponterio & Associates which was accepted in to the I.A.P.N. (International Association of Professional Numismatists) in 1988, and served on the executive committee of the I.A.P.N. for eight years. He joined the P.N.G. (Professional Numismatists Guild) in 1979, and served on its board of directors for six years. He is an ANA life member and is the president of the New York International Numismatic Convention.

Christine KarstedtExecutive Vice President of Consignments

Christine Karstedt serves as executive vice president of consignments. A familiar figure at numismatic conventions and auctions for over two decades, Chris has built a vast network of auction contacts during her extensive career. She is well known at the podium, as a licensed auctioneer and also as a speaker for numismatic programs. Chris' ability to attract worldwide attention to the sale of numismatic material placed her at the center of the publicity program for the record-breaking \$100 million treasure of the S.S. Central America and the S.S. Brother Jonathan. Over a long period of years she has worked with hundreds of consignors and helped present the Louis E. Eliasberg Sr. Collection, the Harry W. Bass, Jr, Collection, the Ambassador and Mrs. R. Henry Norweb Collection, the Walter Childs Collection, the Dr. Haig A. Koshkarian Collection, the Oliver Jung Collection, and the Cardinal Collection. She is a member of the Professional Numismatists Guild, a life member of the American Numismatic Association and a board member of the Industry Council for Tangible Assets (ICTA). Her unstinting and tireless efforts have helped leading collectors and dealers worldwide obtain the very best prices for coins, tokens, medals, and paper money, working hand-in-hand with experts and departments within our organization.

In 1981, Nirat traveled to West Africa and represented an international venture that bought and sold gold and rough diamonds, and upon his return to the United States he launched his own coin company buying and selling rare U.S. and international coins. From 2005 to 2011, Nirat headed the International Coin division of R. M. Smythe and Company, and in 2008 he was placed in charge of the international coin division of Spink, U. S. A., then joining Stack's Bowers Galleries, where he remains internationally important. For the last 25 years, Nirat has been a major force in the Asian coin and paper money market, where he is widely recognized as one of the leading experts. In recent years he traveled extensively, seeking rarities from China, Hong Kong, Thailand, Straits Settelments, Korea, and other Asian countries, aided by his vast knowledge of Asian coins and paper money and his ability to communicate fluently in several languages.

Ron GillioNumismatic Acquisitions Coordinator

Ronald J. Gillio is an internationally renowned rare coin dealer, auctioneer, author and researcher who has been active and influential in numismatics for more than 45 years. He joined Stack's Bowers Galleries in early 2007 as numismatic acquisition coordinator and U.S. and World coin and currency specialist, a position that includes purchasing and obtaining consignments. Ron's involvement in numismatics literally spans the globe. He has conducted nearly 80 multi-million dollar auction sales in the United States, Europe, Hong Kong, Japan and Singapore, and his résumé includes such well known names as Pacific Coast Auction Galleries, Butterfield Auction Galleries, Robert R. Johnson, Inc., Baldwin's Auctions of London, Spink London, Taisei Stamps & Coins of Hong Kong and Singapore, and Butterfield-Johnson-Gillio. A respected member of the most esteemed numismatic associations, Ron is a past president of the Professional Numismatists Guild, as well as the recipient of the Founders Award, the highest honor of the PNG. He is a Life Member of the American Numismatic Association, a member of the International Association of Professional Numismatists for more than two decades, and founding charter member No. 11 of the Professional Coin Grading Service (PCGS).

Harvey Stack Senior Numismatic Consultant

Harvey Stack is the son of Morton M. Stack and nephew of Joseph B. Stack, who formed Stack's rare coin business in 1933, where Harvey worked as a full-time staff member for 62 years, from 1947 until his retirement in 2009 as chief manager of business affairs. During those six decades, Harvey personally conducted more auction sales than anyone in the numismatic industry, and he appraised and cataloged countless numismatic rarities and was responsible for the sale of some of the most spectacular collections in history, such as the Anderson-Dupont Collection, the Davis-Graves Collection, and the Harold S. Bareford Collection. In 1996, Harvey addressed the U.S. House Banking Committee to propose the State commemorative quarters series, and when the program ended in 2008 the U.S. Mint estimated that 147 million people were collecting state quarters. Harvey has been a member of the ANA for more than half a century, as well as countless other significant numismatic associations.

Lawrence R. Stack
Senior Numismatic Consultant

Lawrence R. Stack, son of Harvey Stack, joined the family firm in 1973, having learned much of the business from his own study, dealing, and family experience. He is personally responsible for the development of many important and noteworthy collections and brought several significant collections to Stack's, including the John J. Ford Jr. Collection, the Dallas Bank Collection, as well as the world record sale of the highest price ever realized at auction for a rare coin, the legendary 1933 St. Gaudens Double Eagle that realized an astonishing \$7.59 million (the two latter sales in partnership with Sotheby's). An experienced collector, Lawrence has formed major collections of French Ecus, Five-Franc pieces, and Ecus d'Or, and his in-depth collection of Celtic and Anglo-Saxon coins ranks high among the finest ever assembled. His Renaissance medals collection is now one of the standard reference works for the field. He is a member of the ANA and numerous national and international numismatic associations.

STACK'S BOWERS GALLERIES

Kent Ponterio

Senior Numismatist and Consignment Director, World and Ancient Coins

Numismatics is a Ponterio family tradition, including Kent's father, Richard H. Ponterio, and his grandfather, James E. Ponterio. As a child Kent would spend weekends and summers in his father's store, and attend coin shows working as a page for pocket money to spend on coins. He began with United States coinage, and soon switched to Spanish Colonial coinage. He worked for his father's San Diego-based company, Ponterio & Associates, from 1993-2008, at which point the firm was acquired by Stack's Bowers Galleries.

In 2002, Kent published an article, "The Coinage of Mexico Struck During the Reign of Charles and Johanna, New Finds Reassigning the Chronology of Assayers," published in the United States, Mexico and Spain. In 2002 and 2007 he received the "Alberto Francisco Pradeau" award, the highest award given by La Sociedad Numismatica de Mexico for contributions to the advancement of Mexican numismatics; and in 2006 he received the "Numismatic Achievement" award from Numismatics International. Kent has conducted lectures at key numismatic conventions, and published a book in Colombia on the 8 Escudo cob coinage struck at the Santa Fe de Bogota Mint.

Matthew W. Quinn
Director of Currency Auctions

Matthew Quinn is an ambitious young talent in the industry who marks his passion for collectible paper money with serious detail. Since his move from New Hampshire corresponding with his employment with Spectrum Numismatics, Matt has diversified his portfolio to include not only dealing banknotes, but cataloging, auction processing, and further enhancing dealer relationships, as well. His passion for numismatics was first sparked at a young age by his grandfather in Newburyport, Massachusetts, and then enhanced under the tutelage of Donald Severence, who showed him the intricacies of U.S. banknotes. Later, he was further inspired by Peter Treglia of Spectrum Numismatics to begin his professional career in the field. Now, as director of currency auctions for Stack's Bowers Galleries, Matt is integral to the auction process for both U.S. and world paper money cataloging and consignments.

Kyle Ponterio

Numismatist and Consignment Director, World and Ancient Coins

Kyle Ponterio As a member of a family with three generations of numismatists, it was with great anticipation that Kyle Ponterio continued his family tradition. Kyle joined Ponterio & Associates in 2005, when he started out packaging in the shipping room, along with imaging for the print and online catalogs. However, with the guidance of his father and brother, Rick Ponterio and Kent Ponterio, he began learning numismatics at a rapid pace. Soon after, he started cataloging coins for auction, doing numismatic research, and buying and selling coins, as the latest numismatic specialist at Stack's Bowers Galleries.

Although Kyle credits his father and brother as "good teachers" for his success in numismatics, he brings a fresh new pair of eyes to the company. He enjoys traveling to shows because it gives him the opportunity to look at other's cases and enjoy their collections. Kyle collects sun face coins and necessity money. He is an ANA member, and also attends monthly meetings of the Greater Orange County Coin Club.

Todd McKenna

Numismatist and Auction Services Associate

Todd joined Stack's Bowers in spring of 2011 as an Auction Services Associate and foreign coin Numismatist. Since then he has worked closely with the Ponterio family who have educated him on the intricacies of foreign numismatics. Under the tutelage of such well versed instructors he has begun a rapid acquisition of knowledge and understanding of the numismatic world. Chinese currencies of both ancient and modern times have been of particular interest to him. Though new to the coin industry, Todd is excited to work in a field which brings together history and artistry in such a unique and beautiful way.

CHOICE Austrian Design Sun Yat-sen Junk Dollar Pattern

極品奧地利版孫像三帆壹圓樣幣

50196 Pattern Dollar Struck in Silver, Year 18 (1929). Austrian design from the Vienna Mint. Struck in China at the Hangchow Mint.. L&M-97; K-617; KM-Pn101; Hsu-93; Chang-CH193. In 1929 the Chinese Ministry of Finance ordered a new design for the then proposed Dr. Sun Yat-sen Dollar. Patterns were submitted from the world's five leading mints: Italy, Japan, England, United States, and Austria. This represents the proposal from the mint in Vienna, Austria engraved by Richard Placht. Upon completion the various mints shipped the dies as well as samples of the new patterns to China. Many of the patterns were re-struck in China at the Hangchow mint, which accounts for their availability today. This pattern is struck with coarse reeding that is somewhat rounded and is one of the examples struck at the Hangchow mint. An extremely high grade and choice example of this pattern issue. EXTREMELY RARE Gold Standard Pattern Dollar Struck in Copper

Lot 50200

50200 Gold Standard Pattern Dollar with Reeded Edge, Year 21 (1932). cf.L&M-104; K-628x; KM-Pn136; Wenchao-pg.729 #1159 (rarity 4 stars); H.Chang-202a; Shanghai Museum-Mr.Shi Jiagan's collection-pg.132 #614; cf.Shih-D3-16. The unadopted Gold Standard Dollar gives testament to China's struggles to find a workable financial policy in decades following the 1911 Revolution and the ensuing travails during the drive towards full unification. In an effort to find this elusive solution the Nanjing Government invited foreign economists to give a detailed report on the state of Chinese finances and offer recommendations on policy change and fiscal structure. This overview was known as the Kemmerer Report and advocated the gradual introduction of coins issued on the gold standard with the design similar to the already circulating Sun Yat-sen "Junk" Dollars with the monetary unit and its fractions known as "1 Sun, 1/2 Sun, etc". The commission brought in by the Nanking Government was headed by world renowned "Money Doctor" Professor Edwin Kemmerer. In the early 1900's Kemmerer had been appointed as the Financial Advisor to the United States Philippine Commission and as an outspoken advocate and ardent defender of the gold standard he developed the plan which placed the Philippine monetary system under it. Throughout the 1910's and '20s Kemmerer worked alternately as professor at Cornell and Princeton and as an economic advisor to several countries, predominantly in Central and South America. Eventually he became the leader of advisory commissions which allowed for much more in depth analysis and recommendation, as was done in the case of the Kemmerer Commission which was summoned to China in the autumn of 1929 and did not deliver its final report until late autumn of 1930. This report was not released to the public until May of the following year, after which the order for dies and trials were placed. The U.S. Mint at Philadelphia was contracted to produce the dies for the proposed "Sun" units which maintained the overall appearance of the concurrent "Birds Over Junk" Dollars with modifications to the Reverse design. Prepared by the then Chief Engraver John Sinnock the modified design has moved the three geese from soaring over the junk to skimming along the water just below it. This modification may coincide with the removal of the geese altogether from the design of the regular Dollars of 1933 as according to Kann, "Because the rising sun might have been confounded with the national emblem of Japan, and the wild geese likened to oncoming Japanese warplanes". Additionally a legend was added stating, "Gold Standard Currency One Dollar" in place of the simple denomination, "One Yuan". The subsequent fractional "Suns" share these design elements with of course the appropriate changes to the denominations. Once the dies were prepared a small trial run of pieces were struck and along with the dies were shipped to Shanghai where famed mechanical engineer Clifford Hewitt had established a new modern mint, having been under contract by the Chinese government since 1920 following the opening of the Manila Mint which he helped set up. It was here at Shanghai that the coin we present was struck in copper as a trial piece for review and approval as is evidenced by the mint envelope accompanying the coin which reads, "National Government Central Mint". Identical to the example from Mr. Shi Jiagan's Collection (#614) which is housed in the Shanghai Museum. Still maintaining luster in the protected areas and showing few signs of handling or wear this piece is a wondrous rarity of type and condition and more than lives up to its PCGS grade of SP-63. As the gold standard project never came to fruition this type never saw full production and the few pieces which exist have been coveted numismatic rarities practically since they were struck.

Tied for Finest NGC Certified "Hunan Provincial Constitution Commemorative Dollar"

NGC評級最佳之"湖南省憲成立紀念"壹圓銀幣。

HUNAN

51244 Hunan. Dollar, Year 11 (1922). L&M-867; K-763; Y-404; Hsu-22. "Hunan Provincial Constitution." This coin was struck to commemorate the Promulgation of the constitution. In a time of presidents and warlords the people wanted to unite, but also to have autonomy in their own provinces. Zhao Hengxi, the governor of Hunan wanted to protect the province from civil war so he worked diligently to establish the provincial constitution and was finally successful on January 1, 1922. The constitution which contains 141 articles grouped under 13 chapters, states the difference between the central and local governments. Some of the weaker warlords were for these constitutions as it was used somewhat like a talisman in that no other provinces armies could enter the province without permission. Several southern provinces followed suit and successively drafted and instituted their own constitutions. Tied for finest certified by NGC with only three coins certified in this grade. Rare grade. Choice, original surfaces with light golden toning. NGC MS-66.

SHANGHAI

51439 Shanghai. Tael, Year 6 (1856). L&M-589; K-9100 (type A); Wenchao-Pg.274 #383 (rarity two stars). Issued by Wang Yung Sheng and engraved by Wan Chaun. Obverse: "Cake (of) standard silver (from the) business firm (of) Wang Yung Sheng (in the) Shangai District (in the) 6th year (of Emperor) Hsien Feng (1856)". Reverse: "Made (by) Wan Chuan, silversmith; Supervised (by) Chow Yuen Yu. Exact weight 1 Tsaoping Tael." Hyper-inflation caused by the Tai Ping Rebellion led to the hoarding of silver. At this time, foreign coins, namely Spanish eight Reales, circulated in Shanghai at a considerable premium. In 1856, the Shanghai authorities authorized silversmiths to issue coinage in an attempt to replace the Spanish 8 Reales. The firms Wong Yung Shen, Ching Cheng Chee and Yu Shen Sheng were granted permission to issue coinage in the denominations of 1 Tael and 5 Mace. This was a short lived coinage as the monthly output was only about 3,000 pieces and was not large enough to meet the demand. This combined with the large number of forgeries entering circulation doomed the project to a short period of only about six months. Extremely significant, as the Shanghai series represents the first Tael coinage produced in China. Toned. PCGS Genuine—Surface Tooled, EF Details Secure Holder.

Terms & Conditions

- 1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio(hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has re-purchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates may not be required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting there from is expressly waived by all participants in the Auction Sale. Lots may carry a Reserve. A Reserve is a confidential price or bid below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor or for Stack's Bowers. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.
- 2. Descriptions and Grading. Bidder acknowledges that grading of most coins and currency in this Auction have been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins and currency is subjective and may differ among independent grading services and among numismatists, even though grading has a material effect on the value of the coins and currency. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins or currency and are intended to note any perceived characteristics. However, grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale, and are the copyright of Stack's Bowers.
- **3. The Bidding Process.** The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent, a Bidder by mail, telephone, internet or telefax; or any other participant in the Auction Sale. All bids must be placed and executed in United States Dollars. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auction-

eer. A mail bid will take precedence over an identical floor bid; a Floor Bidder and Telephone Bidder must bid higher than the highest mail bid to be awarded any lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's prior written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale of a lot is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction Sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

- **4. Bidder Registration Required.** All persons seeking to bid must register to bid at the auction or on-line via the internet by completing and signing a registration card or bid sheet. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale.
- 5. Buyer's Premiums. A Buyer's Premium of nineteen and one half percent (19.5%) on each individual lot will be added to all purchases made by Bidders, except for reacquisitions by Consignors, regardless of affiliation with any group or organiza-tion, and will be based upon the total amount of the final accepted bid.

A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium. Payment is due immedi-ately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in immediately available good U.S. funds, through a bank in the United States. On any cash transaction or series of transactions exceeding \$10,000, Treasury Form 8300 will be filed, when required in accordance with applicable law. Contact Stack's Bowers for wiring instructions before sending a wire. We accept payment by cash or "cash equivalent" ("cash equivalent" is defined to include cashier's check or money order, approved check, wire transfer or other immediate bank transfer). U.S. Dollars or Hong Kong Dollars are accepted as cash payments. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer's invoices will be credited with the amount of U.S. Dollars received from Auctioneer's bank. Credit cards will not be accepted for this Auction Sale. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney's fees and cost incurred to collect past due accounts. Buyers personally and unconditionally guarantee payment

in full of all amounts owed to Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging ar-rangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Lots indicated as being "framed" are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of forty-five (45) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim.

Buyers will be charged all applicable sales tax, including applicable Hong Kong sales tax or applicable state sales tax, as the case may be, subject to statutory exemptions and procedures. Buyers who pick up in California and New York or shipments to Buyers in California and New York without a valid Resale Certificate which has been provided to the Auc-tioneer prior to the auction will be charged all applicable sales tax. Please note that the purchase of any coin or bullion lot(s) with a price, including the Buyer's Premium, in excess of One Thousand Five Hundred Dollars (\$1,500) are exempt from California sales tax. These exemptions do not apply purchases of currency. On any tax not paid by Buyer that should have been paid, even if not collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer remains liable for and agrees to promptly pay the same on demand together with any interest or penalty that may be assessed.

6. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity, to: (a) rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, or (b) resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloguing and any other reasonable charges. Notice of the sale shall be by recognized overnight courier service, or by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses

of both sales, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affili-ates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the pur-chased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to perfect its security interest by any permissible means, including by filing a UCC-1 financing statement for such items, and to assign such security interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured party under the California Uniform Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

- 7. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AUTHENTICITY, AND PROVENANCE OF A LOT.
- a. COINS OR CURRENCY LISTED IN THIS CATALOG GRADED BY PCGS, NGC OR ANACS CACHET, OR ANY OTHER THIRD PARTY GRADING SERVICE OR EXAMINED BY THE BUYER PRIOR TO THE AUCTION SALE MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER, EXCEPT FOR CLAIMS RELATED TO AUTHENTICITY.
- b. For non-certified coins that have not been examined by the Buyer prior to the Auction Sale: if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin or the coin is not authentic, such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence.
- c. If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.
- d. Late remittance or removal of any item from its original container, or altering a coin constitutes just cause for revocation of all return privileges.
- e. Grading or condition of rare coins or currency may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent

grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

f. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

g. All oral and written statements made by Stack's Bowers and its employees (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Any alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

h. Bidders shall have no recourse against the Consignor for any reason whatsoever.

i. Bidder acknowledges that the rare coin market is speculative, unregulated and volatile, and that coin and currency prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer will be able to sell for a profit in the future.

j. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.

8. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, shareholders, agents, subsidiaries, employees, members of their respective boards of directors, and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

9. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not

be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

10. General Terms. These Terms and Conditions of Auction Sale and the auction shall be governed by and interpreted in accordance with applicable Hong Kong law (except in the case of any disputes between the Auctioneer and parties who residents of the United States, in which event the laws of the State of California, regardless of the location of the Auction Sale shall apply). For the sole benefit of the Auctioneer, All Bidders agree that the Hong Kong courts have exclusive jurisdiction to settle all dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot. Notwithstanding the foregoing, all parties agree that Auctioneer retains the right to bring proceedings in the state and federal courts sitting in the State of California. All Bidders irrevocably consent to such proceedings and to the service of process or any other documents in connection with proceedings in any court by facsimile transmission, personal service, delivery by mail or in any other manner permitted by Hong Kong law, the law of the place of service or the law of the jurisdiction where proceedings are instituted, at the last address of the Buyer known to Auctioneer or any other usual address. Bidder agrees that any legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. These Terms of Sale and the information on the Stack's-Bower's website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

- 11. Special Services. If you wish to limit your total expenditures, please fill in the maximum amount you wish to spend on the MAXIMUM EXPENDITURE line at the upper portion of your bid sheet. This is a personal service and a Stack's Bowers customer representative will personally attend to your bid sheet by bidding from the auction floor, buying lots for your account until your authorized expenditure is reached. While we will do our best in your behalf, due to the speed of the auction sale and the sometimes crowded conditions, we cannot be responsible for failure to execute such a bid properly. Due to the bookkeeping involved, this service is offered only to bidders with maximum expenditures of \$1,000 or more.
- **12. Optional Bid Increases.** We invite you to take advantage of the optional 10% to 30% bid increases to help your chance of being a successful bidder. Check the appropriate place on your bid sheet.

- 2. 說明及評級。競投人承認,本次拍賣會的大部分硬幣及貨幣的評級已由獨立評級服務機構釐定,而其他未獲評級的硬幣可能由 Stack's Bowers 評級。罕見硬幣及貨幣的評級帶有主觀性,雖然評級對硬幣和貨幣的價值有重要影響,但獨立評級服務機構之間及古幣收藏家之間的評級也可能互有差異。Stack's Bowers 不對獨立評級服務機構賦予硬幣的評級負責,並且不對該評級作出任何保證或陳述。競投人進一步承認並同意,Stack's Bowers 賦予硬幣的評級及拍賣品説明僅單獨基於對硬幣或貨幣的考證,並且其目的是註明任何被認知的特徵。然而,評級及説明帶有主觀性。Stack's Bowers 不保證該評級或説明的準確性。本目錄中的所有照片都是實際待拍物品的照片,但可能與實際尺寸有所差別或不符比例,Stack's Bowers 擁有該等照片的版權。

相同的競投,將根據拍賣商的決定優先考慮第一個收到的競投。郵件競投將優先於同價的實地競投:實地競投和電話競投人的競投價必須高於最高的郵件競投價才能獲得任何拍賣品。對於未滿十八(18)歲之人士,若沒有收到其父母代表該未成年競投人承認本銷售條款且同意受其約束的事先書面同意,將不會接受該未成年人的競投。當拍賣商透過敲槌或其他慣用方式宣佈交易完成時,一個拍賣品之拍賣即告完成。

這不是試用出售。不管親自還是透過代理到場參加拍賣會的競投人(「實地競投人」),均應仔細檢視自己有意購買的所有拍賣品。不管親自還是透過代理以電話方式競投的競投人,均與實地競投人一樣接受同等待遇,可以積極參加現場拍賣會(「電話競投人」)。除非本銷售條款中另有明確規定,否則任何競投人不得以任何理由退回已購買的物品。在拍賣會之前親自檢視拍賣品的所有潛在競投人需負責競投人對拍賣品造成的任何損害。Stack's Bowers 有權自行裁定所造成的損害的價值,而且該競投人應對此立即予以賠付。

STACK'S BOWERS 不對競投過程中出現的任何差錯負責。所有競投人應確保對正確的拍賣品進行競投,根據真實意向出價。拍賣商一旦擊槌及宣佈獲勝競投人,即使該競投人出錯,也必須無條件付款購買該拍賣品。Stack's Bowers 保留即使在落槌之後,也可隨時撤回任何拍賣品的權利,直到該買方已經實際取得該拍賣品。即使是在拍賣會之後撤回拍賣品,拍賣會的參與者也沒有權利追索任何損害賠償,包括間接損害賠償。

- 4. 競投人必須登記。有意競投的所有人士均必須在拍賣會或透過互聯網網上填寫及簽署登記卡或競投表登記參加拍賣。提交競投,即表示競投人承認,競投人已經閱讀拍賣條款和條件及他們競投的拍賣品的說明,並且他們同意受這些銷售條款約束。本協議應視為在加利福尼亞達成。競投人承認,以數字描述拍賣品的發票包括了目錄和銷售條款。
- 5. 買方佣金。競投人的所有購買均額外收取相等於每個拍賣品獲接受的最後成交總價百分之十九點五 (19.5%) 的買方佣金(貨主回購除外),而無論買方是否附屬於任何集團或組織。

可能根據獨立協議向貨主收取回購費用,回購費用可能高於 或低於買方佣金。款項在拍賣商落槌之後即時應付。在拍賣 會之後十四 (14) 個日曆日(「違約日」)內未以真實資金 全額付款,將一律構成拖欠付款及違約(時間為要素)。除 非在拍賣會之前另行書面商定,所有拍賣買賣嚴格使用可 透過美國銀行支付的美元現金資金。對於任何超過一萬美 元的現金交易或系列交易,適用法律要求時,需填寫財政部 表格 8300。請在發出電匯之前聯繫 Stack's Bowers 以查詢 電匯指示。我們接受以現金或「現金等價物」付款(「現 金等價物 | 的定義包括銀行本票、現金支票、獲批支票、電 匯或其他即時銀行匯款)。接受以美元及港元現金付款。所 有發票將以美元出具。若以港元支付, 將以從拍賣商銀行 獲得的美元金額作為買方發票金額。本次拍賣會將不接受信 用卡。Stack's Bowers 保留拒絕發放尚未收到相關真實資金 的拍賣品的權利。對於到期未付的任何賬款, Stack's Bowers 保留在不通知的情況下授予信貸並收取附加費用(如下所 述)的權利。買方同意支付為收回過期未付賬款而產生的合 理律師費及成本。買方個人無條件保證全額償還欠付 Stack's Bowers 的所有款項。對於任何代表公司或其他實體進行競投 的個人,進行競投即表示個人同意負責支付購買價格及相關 費用,並且履行銷售條款項下的所有買方義務, Stack's Bowers 保留要求出具該等付款及義務的書面保證的權利。尚未與
